

THE
BAM BAM

TABLE

**A time when bankers were corrupt and
American gangsters were the heroes, hiding
out in glamorous bungalows along the
Mexican coast.**

**We designed the BamBam table to evoke
those days of danger and excitement, of
Dillinger and Capone.**

Product info

The BamBam table is a joint production. The table top is produced in Denmark. It is made in FSC certified waterproof MDF with an oak or an ash veneer. The metal frame is produced in Mexico in solid steel with a black powder coating.

The table is available in two sizes:
Big n' low: ø70xh36 / Small n' tall: ø50x44
and in two laquered finishes:
natural oak and stained black ash.

MAINTENANCE GUIDELINES

Congratulations on purchasing your new Bam Bam table from OK design.

We have prepared these maintenance guidelines to ensure that your product continues to meet your expectations of appearance and cleanliness for many years to come.

DAILY MAINTENANCE

Your Bam Bam tabletop has been treated with a clear lacquer so that it will fit in your everyday life, but like every other piece of furniture, it will need care and attention. Therefore we have gathered some pointers for you:

Do not place hot items directly on the tabletop.

Wipe off dust with a dry cloth or if needed: a damp cloth.

Always remove stains immediately after staining.

Use lukewarm water and soap if considered necessary.

We do not recommend the Bam Bam table to be exposed to rain.
