

LED<sub>1</sub>

# LED<sub>1</sub>

The award-winning LED<sub>1</sub> lamp combines modern technology, wood and timeless design. The touch-sensitive switch gives a true feel of the material and finishing of the lamp.

LED<sub>1</sub> has received several awards, including the prestigious international red dot award in product design in 2009, the Good Design award in 2009, the Green Good Design award in 2010 and a Deutsche Designpreis nomination in 2010.

Designed by Tunto founder Mikko Kärkkäinen.

DESIGN

LED<sub>1</sub> is available in oak, walnut, and birch. The woods are hand-picked to ensure the best possible quality and certified to support responsible forest management. The oak and walnut are from North America, and the birch comes from Finland.

LED<sub>1</sub> emits a soft, indirect and efficient light. Using the lamp is environmentally friendly, as it uses little electricity (15 W) while producing a lighting level of 850 lumen. We use the best and latest LED technology on the market.

Choose your favourite colour from the eleven Tunto colours.

- Oak
- Birch
- Walnut
- Black
- Brown
- Purple
- Red
- Orange
- Pink
- Yellow
